Booking assistance

Please book assistance with your airline before travelling to the airport, including for travel with mobility equipment or with an assistance dog.

For information on services provided by Loganair, and to book, see Accessibility & Assistance Hub (loganair.co.uk), or contact Loganair on 0344 800 2855.

Assistance provided at the airport and during your flight

If you require assistance at the airport or during your flight, please book with your airline before travelling to the airport (details above).

Mobility equipment

If you are travelling with mobility equipment, such as a wheelchair or mobility scooter, please book through your airline before travelling to the airport (details above).

Heavy equipment (over 23 kilograms) may need special approval.

The airline will contact you once your mobility equipment has been accepted.

Airline staff will guide you through the procedures for mobility / motorised equipment.

Assistance dogs

Assistance dogs are welcome in the terminal.

If you are travelling with an assistance dog, please book through your airline before travelling to the airport (details above).

Travelling to and from the airport

The airport can be accessed by private car, taxi or bus.

Please note, there is no taxi rank. Local taxis can be booked in advance of arrival or may be contacted on arrival at the airport. Taxi numbers are provided on our website. Taxi drop off and pick up will be from outside the terminal main door about 2 meters from the terminal entrance.

The bus stop is about 30 meters from the entrance to the terminal building.

Airport car park

Car parking is free of charge.

There are two accessible parking bays, which are about 6 metres from the entrance to the terminal building. Assistance can be arranged from the car park to the terminal - please pre-book with Loganair by contacting 01496 302022.

Facilities at the airport

Accessible toilets

There are three accessible toilets - one in the concourse, and two in departures. Toilets have an emergency cord and external alarms.

Boarding your flight

There is an Aviramp and a Stair Climber to assist passengers on and off the aircraft.

Wheelchairs

There are two wheelchairs available to the public.

Within the terminal building

There are no steps anywhere in terminal.

All flights are announced by tannoy and displayed on information screens around the airport. If you require notification of when a flight is called, please ask at check-in or speak to a member of the security team.
